The Directors and Board of Governing Members had a meeting. Following are the decisions made during the meeting:

Meeting Discussion Summary	
No.	Particulars on Agenda
1	Mr. Ritesh Goyal began the meeting with a presentation on GIBS. After that, he gave feedback on the In-House Instruction Manual, the Student Handbook, and the Placement Handbook.
2	It emphasized the need to develop a specialized vertical and adhere to business criteria in order to make students even more industry-ready.
3	The executive management program's significance and applicability were explored. To attract executives, we need to identify the USBs of executive development programmes.
4	Examined the public's perspective of business schools and methods for influencing this perception. It was observed that there are rankings that take into account perception and significance.
5	It was advised that all of us should be more upfront and boastful about discussing our accomplishments.
6	We should place greater emphasis on the ratio of international students and faculty members.
7	In addition, we should develop a student and faculty exchange programme.
8	Students should be incentivized to research and develop answers to real-world challenges.
9	There has to be instruction and encouragement for both faculty and students to create real-time case studies.
10	We should make multimedia cases instead of lengthy multi-page texts.
11	We must prepare our students to be customer-ready by developing their competence and expertise.
12	Training in Microsoft Excel is required for all management students. More emphasis should be placed on practical training for them.
13	We need to put more effort into developing and deploying simulation laboratories.

Conclusion of Board of Governance Meeting

Each of the above points were discussed and the task were assigned to the respective persons

Dear Sir Dr. Srikant Parthasarathy

Subject: Invitation to accept the position of Ombudsman GIBS Bangalore.

Global Institute of Business School is an AICTE, Ministry of HRD (Govt. of India) approved Institution. As per the law, every institute has to appoint an ombudsman.

The purpose of this Ombudsman is to handle the grievances of the students, staff and Faculty, if the committee of the Institution is not able to resolve the issue in eyes of a complainant.

We request you to kindly accept and give your consent to be an Ombudsman and oblige.

✓ This will help us in creating an environment at GIBS campus, where students and employees can escalate unresolved grievances that in their opinion are not handled or addressed properly.

Thanking you,
Best Wishes,

Managing Director
Global Institute of Business Studies-Bangalore.

Accepted the invitation
for the position of
ombudsman for

Placement Facilities

Students will get assistance for both Internship and Placement. The students will be intimated on On-campus, Off-campus and Job fairs well in advance by the placement team through e-mail and other official groups. Students should thoroughly read and understand the Job Description before he/she nominates the same. GIBS ensures that its students are industry-ready by providing them with appropriate soft and technical skills. While the technical skills are provided through the L&D, the soft skills are provided through the CPMP Program.

GIBS Finishing School: **Certificate in Personal Mastery Program (CPMP)**

GIBS Finishing School is a dedicated wing to assist PGDM students with start-ups, Placements, and internships. At GIBS, we believe that “Opportunities are never given, they are taken.” With this

philosophy in mind, our Finishing School strives to actively grab every opportunity available rather than passively waiting for it to come around. GIBS has created a unique world-class finishing school, to work on students who come from varied backgrounds. After completing the Finishing School curriculum, every student will receive a certificate, which is known as a **Certificate in Personal Mastery Program (CPMP)**.

GIBS Finishing School as a core program is a unique offering introduced by GIBS. The GFS program covers the overall personality i.e., physical, intellectual, emotional and human-value aspects of being an effective manager and empowers the students to fulfill their professional vision. The pedagogy exercised is based on the “Knowing 20 + Doing 80 = Learning 100” concept. In short, the curriculum leverages experiential learning to deliver the promised outcomes of the program. GFS program would be conducted in every trimester and will be a 2-credit course every trimester. Trainers will conduct a pre-course assessment and the end-term evaluation for each trimester. Continuous feedback will be given to each student and the same will be recorded.

At the end of every trimester, students undergo a competition named GFS Flair to express what they have learnt during the entire trimester. PGDM students participated in a range of competitions at the GIBS Finishing School Flair 1.0 at the GIBS Business School, Bangalore, including Clash of the Titans, Skit, Story Telling & Fashion show.

GIBS Finishing School held a wonderful session on "Formal Dress Codes" for Management Students by Ms. Shikha Nag and Ms. Reenaa Verma. A dress code is an accepted way of dressing in a professional setup or within a social group. It is generally guided by a set of rules pertaining to appearance and clothing.

90 DAYS TO 9 MONTHS MODEL

GIBS' 90 days-9months model tells that, first 90 days, the student concentrates on building a mindset, then the next 9 months, they can easily work on building a skill set.

GIBS works on the growth mindset of the student. For 9 months, we help students to understand PGDM course, to explore their strength and weakness and their area of interest. So once the mind of the student is set, another 90 days, we help the student to develop skills required for the chosen job-profiles. The mentors will assist students to work on building skill sets to transform their future.

Placement Eligibility

There are 2 major criteria to be eligible for the Placements:

1. Securing 80% of attendance in Finishing School
2. Students must have cleared all levels from L1-L5 and earn 5 credits

Student Placement Committee

Student Placement Committee is an exclusive student body works for the Internships & Placements along with the placement department. Students of the placement committee will be selected in the 1st trimester.

For Alumni

- Placement team will assist Alumni to excel in the Profession, by conducting Webinars for the Alumni at regular intervals to enhance and update their skills.
- Alumni will be invited to be part of various events conducted in GIBS.
- They will be given opportunity to participate in Corporate Workshops conducted in GIBS.
- GIBS will award the “Distinguished Alumni Award”, to the top 5 Alumni every year during the “Student of the Year” event. This will be a prestigious award, for which every alumnus will have to submit the required documents and there will a scrutiny process to choose the top 5 Alumni.
- Nano Alumni meet will be organized in various cities like Delhi, Mumbai, Ahmedabad, Jaipur, Calcutta, Hyderabad, Chennai, Bengaluru, Dubai, and a few other cities shall be added as per the availability of Alumni with the management.
- There will be a Mega Alumni Meet conducted in GIBS campus/outside campus once in a year.

- The students of Alumni Relations Cell will be responsible in getting coordinated with the alumni for the purpose.

Industrial Visits

Industrial visits represent important activities in any Business School that contributes to the achievement of various essential learning outcomes and programme objectives. Frequent Industrial Visits are organized in GIBS so that the student will be aware about how various activities related to marketing, finance and human resource are carried out in a company and this exposure will make them industry ready. The main reason behind this, it is lets student to know things practically through interaction, working methods and employment practices. Moreover, it gives exposure from academic point of view. Main aim of industrial visit is to provide an exposure to students about practical working environment.

Placement department will take care of identifying the best Corporate/Sector for the Student’s Industrial Visit and will be communicated well in advance. Students can browse and get enough knowledge on the Corporate before the Industrial Visit, which can add more Value-Oriented and Practical Exposure. PGDM students will have 3 industrial visits each during the entire course. The

GLOBAL INSTITUTE OF BUSINESS STUDIES - BANGALORE

students when taken for industrial visits are expected to be well behaved, groomed with formals, and maintain discipline.

All the students who attend the Industrial Visit have to submit a detailed report within two days of the visit, to the placement team, which will be evaluated and weightage would be given for the same.

Industrial Live Projects

GIBS encourages students to take up Live Projects available with Corporates. These projects can be obtained by personal contacts of students, faculty, or through Institution. If the Institute obtains the Live Project, then allotment will be done based on merit. The students should work with the company for one day, and with the data collected from the company, the student has to do research on their own to complete the live project and submit the report. Attendance will not be awarded more than a day.

Academic Conferences

L & D with placement department collectively conduct Human Resource, Marketing, and Finance Conferences during the course for the benefit of the students. In these conferences, even the respective professionals from various Corporates will be invited to attend. After every conference, the students will be given time to interact with these professionals and improve their networking.

Placement Mentoring

There will be a Placement Mentor allotted to every student, and this Placement Mentor will support and guide students on all placement related activities. A minimum of 6 mentor meetings will be scheduled with every student personally. The number of meetings can be increased based on the requirement. Students can walk-in/message/call anytime to schedule the unscheduled meetings and discuss with the placement team. Placement mentoring is a continuous process starting from identifying the skill gap of the student to preparing them for handling rejections to congratulating them when they are placed.

We will be conducting indoor tournaments and also outdoor tournaments hiring the grounds in and around the campus. We will also encourage and permit students to participate in the sports events organized by other colleges.

Extra-Curricular Activities

WEBINARS, LEADERSHIP TALK SERIES, SMEs, VAPs

GIBS has introduced a series of National & International level Seminars, Webinars and Panel Discussions on trending topics called GIBS spreading the Light of Knowledge.

The Leadership Talk Series is the platform to invite the thought leaders from different sections like Academicians, Corporates, GIBS Alumnus and Start-ups to share their expertise and life/corporate journey with the students of GIBS to inspire them to rise high in life.

It also aims at minimizing the gap between classroom learning and the ground realities of the business world by learning from the experiences of industry experts, academicians and entrepreneurs by the invited talks.

Apart from regular L&D courses, GIBS conducts many Webinars with various academic and industry experts. Series of Leadership Talk etc., Subject Matter Experts (SMEs) will be delivered on various specializations through top class professors. There will be sessions of Value-Added Programme (VAPs) by Foreign & Indian Professors provided on various topics, which might enhance the additional

skills of the students. The topic of VAP will be discussed based on the current/future need of the industry.

The schedule of these sessions might change between the trimesters as per the availability of resource person & time. SMEs and VAPs can be delivered through either offline or online mode.

Teaching Learning Process

Management education in GIBS is imparted through a thoughtfully balanced mix of teaching pedagogy, to make the classes interactive and to ensure students can correlate the theories with practical examples for better understanding.

The practice of new pedagogical practices at GIBS promotes the involvement of students, improves critical and creative thinking, reduces apathy and contributes to great learning performances.

- Theory – 30%
 - Practical – 50%
 - Field Work/Application Work – 20 %
- Assignments, case study, movie / video clips, simulation games, live projects, role-plays, action learning, outbound training, quiz / B-quiz / E-quiz, group discussion, grooming and communication, article writing/review, problem-solving and so on – 50%

It can be a blend of the following activities during the course delivery: -

- **Projects:** Integrated team project in the assessment scheme to ensure students find an opportunity to apply their learning in a simulated environment.
- **Outcome based learning:** Is a student-centric teaching and learning methodology in which the course delivery, assessment is planned to achieve stated objectives and outcomes. It focuses on measuring student's performance i.e. outcomes at different levels.
- **Problem-based learning:** enables students to learn using complex evidence-based problems encountered in the real world as a stimulus.
- **Reflection papers:** Students to regularly write reflection papers where they need to look back and critically reflect on their own experiences to identify and reinforce learning.
- **Extempore speech /Class debates:** This is another commonly used method in which faculty might ask the students to speak on the topic recently covered in the class. Also, students may be given a problem or a situation and asked to debate their own view points.

GLOBAL INSTITUTE OF BUSINESS STUDIES - BANGALORE

- **Brain storming:** Panel discussions or brain storming is done by giving a certain problem to the group of students and asking them to find the feasible solution. It helps in building team work, idea sharing and creative approach among the students.
